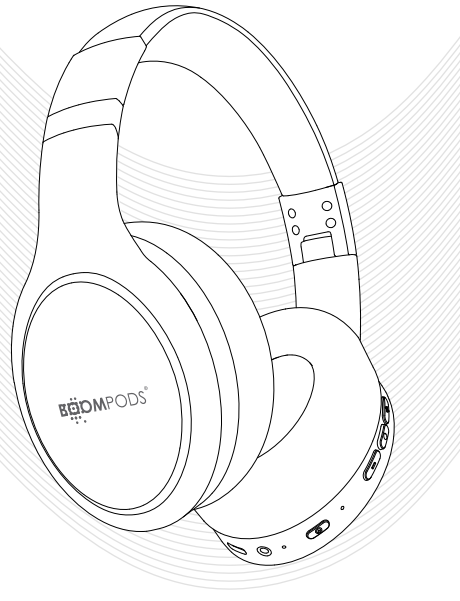
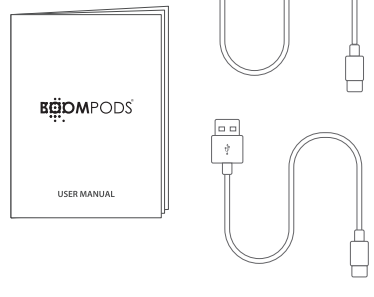
BOOMPODS®

headpods PRO2

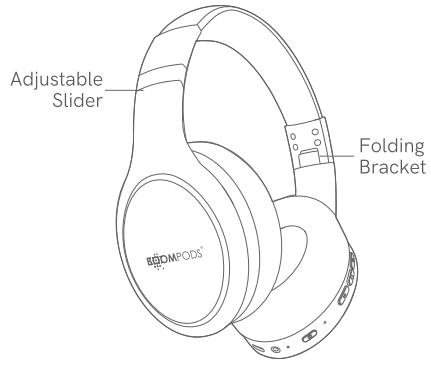


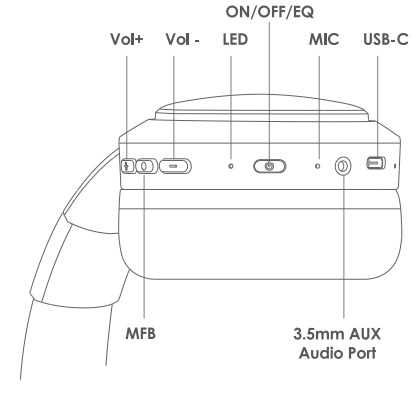
Quick Guide

In the box



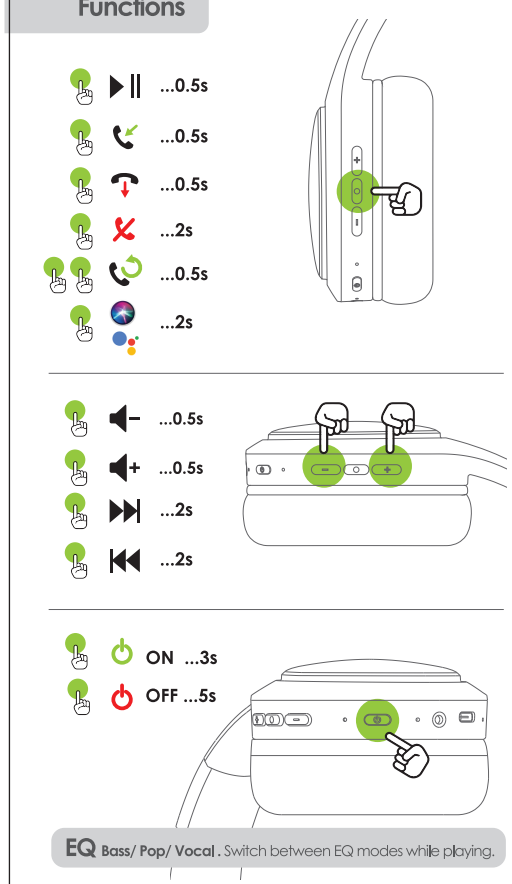
Overview



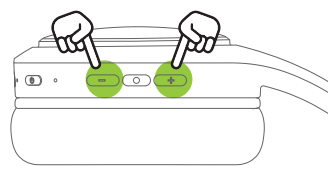


Bluetooth pairing

Functions

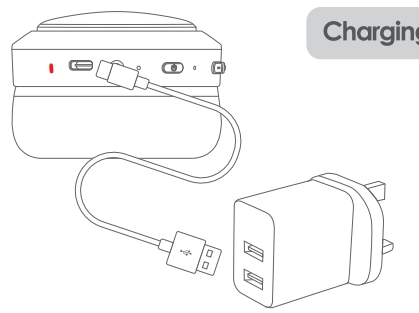


Delete Paired Bluetooth Connection



At the same time press/hold for 3s .

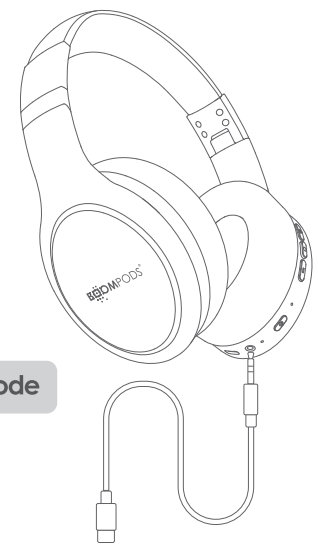
Charging



Connect to: A 5V⎓1A power source with the supplied USBA to USBC cable.

The LED will be red while charging. Once charged, the LED will change to blue.

AUX Mode



Connect one end of the 3.5mm audio cable into the audio jack of the headset. Connect the USB-C end into your mobile device or other devices. You can then play music directly.

Note: The headphones will power off once you plug the 3.5mm audio cable into the audio jack (when the headphones are powered on). If you need to turn on the headphones, the 3.5mm audio cable must be removed from the headphones.
