

BOOMPADS®

headpods TUNE

Quick Guide

In the box

Overview

Bluetooth pairing

Functions

EQ Bass/ Pop/ Vocal. Switch between EQ modes while playing.

Delete Paired Bluetooth Connection

At the same time press/hold for 3s.

Charging

Connect to: A 5V=1A power source with the supplied USB-A to USB-C cable.

The LED will be red while charging. Once charged, the LED will change to blue.

AUX Mode

Connect one end of the 3.5mm audio cable into the audio jack of the headset. Connect the USB-C end into your mobile device or other devices. You can then play music directly.

Note: The headphones will power off once you plug the 3.5mm audio cable into the audio jack (when the headphones are powered on). If you need to turn on the headphones, the 3.5mm audio cable must be removed from the headphones.
